

Appointment of a new Head of College

The Board of UWC Maastricht is pleased to announce the appointment of Lodewijk van Oord as the next Head of College.

This decision concludes a rigorous international search that began when our current Head of College, Peter T. Howe, was appointed as the next Principal at UWC Atlantic College in May. We thank all of our stakeholders - students, staff and parents - for their contributions to the process.

Lodewijk brings extensive UWC experience to the position having served at UWC Atlantic College, Waterford Kamhlaba United World College of Southern Africa and most recently UWC Adriatic where he is the Deputy Head of College.

Commenting on his appointment, Lodewijk van Oord said:

"I consider it an incredible privilege to have been given the opportunity to join UWC Maastricht as its new Head of College. The school has seen remarkable growth and development under Peter's leadership, and I look forward to the challenge of consolidating and strengthening his achievements."

"My family and I look forward to our return to the Netherlands, and are confident that we will find a welcoming home in the UWC Maastricht community."

Peter Howe adds:

"I think this is a great appointment for the school"

and the movement. Lodewijk is a young leader of great promise and potential and I am thrilled that he will be given this opportunity to lead the great staff and community that is UWC Maastricht."

We are confident that Lodewijk is the right person for the job and will build on the good work of Peter and his great team to establish UWC Maastricht as a leader within the UWC movement, the Netherlands and the world.

We look forward to welcoming Lodewijk and his family and to working with him in pursuit of the UWC mission to make education a force to unite people, nations and cultures for peace and a sustainable future.

Sincerely,

Paul van Logtestijn
Acting Chair, UWC Maastricht
