ABOUT US

The UWCM Parent Association (PA) are parents/guardians of current students in primary and secondary school, who volunteer to support our beautiful UWCM Community.

The PA is led by a Board, who is responsible for the organisation and management of the PA operations. Besides the Board, there are Year Representatives for parents from Kindergarten to Y13, and we have a beautiful group of enthusiastic volunteers who support our events.

All parents/guardians of current students in UWCM are automatically members of the PA.

YEAR REPS

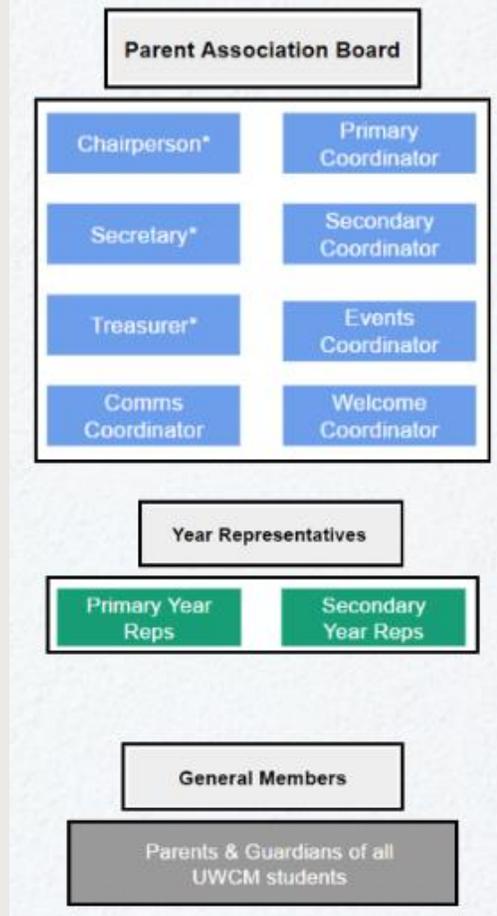

- ❖ Year Reps (Representative) are encouraged to organize social gatherings for parents in their group, to help new parents integrate, to socialise, and to foster connections within year groups.
- ❖ In primary school, Year Reps work with class teachers to organise in-class parties for students and parents (Winter holidays, end-of-year).
- ❖ Each Year Group, from kindergarten through Year 13, has at least one volunteer parent that acts as the Year Representative(s) for their respective parent group.
- ❖ Every year group has its own WhatsApp group for parents, that is managed by the Year Rep. This platform helps parents to connect with peer parents, share information and organise social gatherings, if desired.
- ❖ The PA Board works closely with this group of dedicated Year Representatives who facilitate communications between the PA and parents through WhatsApp groups.

EVENTS

Throughout the school year the PA organises various social events such as a Welcome Walk for new parents, the International Fair, a Halloween Party, Winter Fair, Spring Festival, etc. With the intent to foster community spirit, these events offer a unique opportunity for everyone to come together, enjoy fun-filled experiences and create lasting memories.

PARENT CLUBS

We thank the success of these events to the dedication and enthusiasm of our wonderful parent volunteers who contribute their time and talents.

Every school year, parents offer a variety of wonderful and enjoyable range of weekly, biweekly or monthly parent clubs. These activities create beautiful opportunities for both new and familiar parents to build their social lives, make new friends, and engage in fun experiences along the way.

Some of the clubs that are often organised include:

- ❖ Art & Craft Club
- ❖ Book Club
- ❖ English Conversation Group
- ❖ International Cooking Club
- ❖ Italian Conversation
- ❖ Primary Yearbook
- ❖ Road Cycling Club
- ❖ Running Club
- ❖ Sevillanas Dance Lessons
- ❖ Spanish Conversation
- ❖ Walking Club
